August 31, 2010**

Listening Session called to order at 5:01 p.m. by Town Chairman Don Sidlowski. Supervisors present: Jeff Bruss, Steve Garbowicz, Bill Martineau and Ed Starke. Chairman Sidlowski noted that although a quorum of Supervisors was present, this was a listening session, and neither a regular or special meeting of the Town Board, and as such no official action of the Board would be taken.

Town Clerk Courtney Peterson was present to record the minutes.

Clerk Peterson reported on the agenda posting in accordance with Open Meeting Law.

Motion made by Starke and seconded to approve the agenda. Motion carried. 5:0

Chairman Sidlowski opened the Listening Session regarding golf carts crossing and traveling on town roads, with the consideration of a possible future ordinance as the goal of this session. Sidlowski gave a brief introduction on how the session would be conducted, as well as an overview as to why the issue is being examined now: a) the usage of golf carts in general but particularly in certain neighborhoods has grown significantly in recent years, and b) in many cases golf carts have been operated with an incorrect understanding of and in violation of the current law.

Citizen and property owner comments were then taken. There were nearly a dozen persons present who commented and the following were discussed: Harbor Campground; desire to have legal crossings on Connors Road and Hwy 32 using proper signage and requesting the DOT to reduce speed in this area. The Kitty Hawk Trail project was also discussed because the trail would possibly be located along the same section of Hwy 32. Gary Post; legal driving age must be enforced in order to operate golf carts.

Comments were recorded on listening session registration forms as well as on tape. Written comments received earlier at the Town Office by email were also read into the record.

Motion made by Bruss and seconded to adjourn at 6:53 p.m. Motion carried. 5:0
